

How should I prepare my curriculum during my education ?

E. Van den Haute (ULB)

Should I 'specialize' ?

How comprehensive can my choices be ?

What is the coherence of my choices ?

What is the narrative ?

Course
choices

Why do languages matter ?

How do I improve my knowledge skills

Languages

Learn

Practise

Gain some work/learning experience abroad

Getting out of your comfort zone

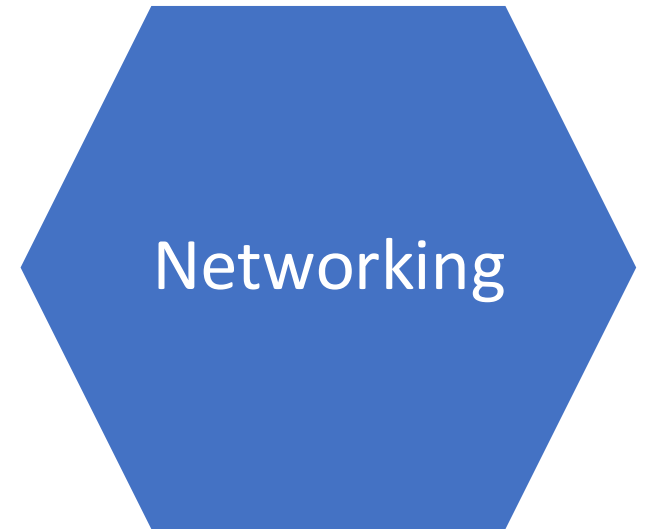

Increasing your language skills

Being confronted with other legal systems / cultures

How ?

College exchange, Erasmus, Summer Schools, LLM / Master programs abroad etc...

International

Spend more time on LinkedIn than on Tik Tok, Instagram or Snapchat

Other activities

Summer internships,
summer schools,
conferences,
association work etc.

Not sure if I'm simply the best

or better than all the rest...
