Who can apply for outgoing mobility ?

- No application in BA1
- Apply in year N to go abroad from year N+1 (no application in MA2)
- Application in BA2 (if 120 can be passed at the end of the application year)
 - ULB students only
 - limited double degree schemes starting already from BA3;
 - **academic results*** $\geq 14/20$
 - Applicants must have passed 60 credits in BA1 and be in a position to pass the next 60 credits in BA2 before going abroad
- Application in BA3 and/or MA1 for a mobility starting in master
 - ULB bachelor (future) holders can apply in BA3 or MA1 towards a mobility in MA1 or MA2
 - VUB bachelor (future) holders can apply in BA3 or MA1 towards a mobility in MA1 or MA2 **within a BRUFACE program only**
 - Holders of another bachelor can apply in MA1 towards a mobility in MA2
 - Non-European BRUFACE students registered at VUB **cannot** apply to a ULB destination

* Academic results = « moyenne de cycle », ie weighted average of passed courses, as indicated in ecursus

How do I choose my mobility?

- Academic criteria: specialized courses (check the partner's website towards the course program abroad)
- Other criteria: language, culture, nationality, personal situation, eligible masters and schools
- The student is sole responsible to verify his/her eligibility

- Propose **3 ULB destinations** in the **ULB application process**
- Attend the VUB info session on 29 October, 4PM (I.2.03) if you consider an application to VUB destinations

Content of my application

- Learning agreement(pdf) covering the mobility period (approved by the ULB master ACA coordinator)
- Yearly study program « PAE » (pdf) until the end of the studies (approved by the ULB master coordinator)
- Curriculum vitae
- Motivation list (main arguments, **no** recommendation letter)
- Additional documents asked by the partner (double degrees)
- Application on the MoveON website:
 - with ULB indentifiers
<https://ulb.moveon4.de/form/669a16a2c73251f0560c657a/eng>
 - For VUB students currently in BA3 and targeting a BRUFACE master in MA1
<https://ulb.moveon4.de/locallogin/68e4fe87344e2d78820a4e3d/eng>

Master thesis

- For double degree: check the agreement
- For substitution limited to a single quadrimester in MA2:
 - ✓ Work prepared and defended in Brussels, with a ULB promotor
 - ✓ Rules of the master track
 - ✓ Possibility to prepare the master thesis abroad with a prior agreement of a ULB promotor and another 15 ECTS taken abroad (to benefit from the Erasmus grant)
- For substitution during the whole year in MA2
 - ✓ Equivalent research work prepared, supervised and defended abroad
 - ✓ If not possible abroad
 - ✓ Reduce the duration abroad
 - ✓ Opt for another destination
 - ✓ Register the master thesis in the ULB PAE and prepare it abroad under the supervision of a ULB promotor

Selection criteria

- Temporary selection at EPB based on
 - ✓ Academic results $\geq 14/20$ for a double degree destination
 - ✓ Information provided by the candidate (motivation, languages...)
 - ✓ Academic results for everyone in case of limited number of slots
 - ✓ Other specific condition expressed by the partner
- Selection by the foreign institution
 - ✓ Substitution: language, coherence of the learning agreement
 - ✓ Double degree: full admission process

Final authorization

- The conditions below must be declared officially at the deliberations prior to the start of the mobility abroad.
- For double degree
 - ✓ 120 ECTS BA credits for a mobility program starting in BA-Block 3
 - ✓ 180 ECTS BA credits for a mobility program starting in MA-Block 1
 - ✓ 180 ECTS BA credits plus all of the credits from the student's study program for the academic year of their application; for a mobility program starting in MA-Block 2 the number of credits to validate is reduced to 60 ECTS credits, if the PAE has more than 60.
- For a substitution in MA 1
 - ✓ 180 ECTS BA credits for a mobility program starting in MA-Block 1;
 - ✓ a maximum of 20 ECTS failed in the first exam session may be validated in the second session and the awarding of the Bachelor's degree must precede the start of the mobility
- For a substitution in MA 2
 - ✓ 180 ECTS BA credits plus all of the credits from the student's study program for the academic year of their application for a mobility program starting in MA-Block 2;
 - ✓ Failure of a maximum of 10 ECTS of MA-Block 1 courses does not automatically result in the cancellation of the mobility - these courses must be re-enrolled to during the year of the academic mobility for stays abroad lasting a single term, or in the year following the return to the home institution in case of a full academic year long mobility
